

REPORT BY THE BOARD OF DIRECTORS OF ATLANTIA SpA ON THE PROPOSED AMENDMENT OF THE ARTICLES OF ASSOCIATION PURSUANT TO AGENDA ITEM 1 FOR THE EXTRAORDINARY GENERAL MEETING SCHEDULED FOR 19 APRIL 2011 (FIRST CALL) AND 20 APRIL 2011 (SECOND CALL), PREPARED PURSUANT TO ARTICLE 72, PARAGRAPH 1 AND ANNEX 3A, SCHEDULE 2 OF THE REGULATIONS APPROVED WITH RESOLUTION 11971 OF 14 MAY 1999, AS AMENDED

Dear Shareholders,

You have been called to this meeting to discuss and vote on the proposed bonus issue described below and the resulting amendment of art. 6 of the Articles of Association. This report (the “**Report**”), prepared by the Company’s Board of Directors pursuant to art. 72, paragraph 1 of the regulations approved with CONSOB Resolution 11971 of 14 May 1999 (as amended) (the “**Regulations for Issuers**”), in accordance with schedule 2 in Annex 3A of the Regulations for Issuers, aims to describe the reasons for the proposal contained in item 1 of the agenda for the Extraordinary General Meeting.

I. Introduction. Call of the Extraordinary General Meeting

The Board of Directors have resolved to call a General Meeting of the shareholders of Atlantia SpA (“**Atlantia**” or the “**Company**”) at the Company's registered office at Via Nibby 20, Rome, at 11:00 a.m. on 19 April 2011 (first call) and, if necessary, at 11:00 a.m. on 20 April 2011 (second call) to deliberate, among other things, the following agenda item:

“Bonus issue, pursuant to article 2442 of the Italian Civil Code, with a par value of € 30,014,857.00, via the issue of 30,014,857 new ordinary shares, ranking equally in all respects with the existing issued ordinary shares, within the limits represented by distributable reserves. This will require the amendment of art. 6 of the Articles of Association. Related and resulting resolutions”.

II. The transaction proposed to the General Meeting

The transaction proposed for your approval regards a bonus issue, pursuant to art. 2442 of the Italian Civil Code, amounting to a total par value of €30,014,857.00 via the issue of 30,014,857 ordinary shares, ranking equally in all respects with the existing issued ordinary shares, via the capitalisation of a corresponding portion of the Extraordinary reserve.

We propose to execute the bonus issue after the ex dividend date for the final dividend for 2010, and to allot the shares to shareholders in proportion to the number of ordinary shares held, at the rate of 1 new share for every 20 shares held on the first available date - based on Borsa Italiana

SpA's calendar – in June of this year, effective for the purpose of dividend rights from 1 January 2011.

The Board of Directors will be granted full authority to execute the resolutions regarding the bonus issue, in compliance with the applicable laws and regulations (including the timing and procedures specified in the regulations for the stock exchange managed by Borsa Italiana SpA and the related Instructions), including authority for the disposition of any fractional shares. In this regard, the Board may appoint financial intermediaries to manage any fractional shares resulting from the bonus issue.

The transaction under discussion will not have any impact on the results of operation, the financial position or cash flows, nor on the financial position presented in the financial statements as at and for the year ended 31 December 2010, nor on the Company's operating performance, given that, as this is bonus issue, it will be carried out by using distributable reserves.

III. Reasons for the proposed transaction

The proposed capitalisation of accumulated reserves is a means to implement the previously announced dividend policy adopted last year, by increasing the number of shares in issue.

IV. Text of the existing Articles of Association and proposed changes

Approval, by the General Meeting, of the bonus issue will require amendment of art. 6 of the Articles of Association.

The Board of Directors has prepared the following extract, showing the text of art. 6 of the existing Articles of Association alongside the new text of art. 6 of the Articles of Association, and highlighting the changes resulting from the transaction.
