STANDARD & POOR'S CONFIRMS 'BBB+' RATING WITH NEGATIVE OUTLOOK FOR ATLANTIA AND AUTOSTRADE PER L'ITALIA

Rome, 18 July 2013 – Atlantia announces that, as a result of the review conducted following the downgrade of Italian sovereign debt to 'BBB' (with a negative outlook) on 9 July of this year, Standard & Poor's has today confirmed its 'BBB+' rating of Atlantia and Autostrade per l'Italia, which is now one notch above Italy's sovereign rating.

The negative outlook essentially reflects the risk of further downgrades of Italy and the potential impact of a deterioration in the country's economic situation.
