PRELIMINARY TRAFFIC FIGURES FOR TWO MONTHS ENDED 31 AUGUST 2013

Rome, 5 September 2013 – Preliminary traffic figures for the network operated under concession by Autostrade per l'Italia, the Group's principal operator, report a 0.9% reduction during July-August 2013 compared with the same period of 2012.

"Traffic trends in Italy during the summer months confirm the continuing improvement with respect to the previous year and early 2013," commented the Group's CEO, Giovanni Castellucci, whilst attending the Italian Infrastructure Day event being held today at the Milan Stock Exchange.

In the first eight months of 2013 total traffic using the network operated by Autostrade per l'Italia was down 2.2% on the same period of 2012, whilst the first half of 2013 registered a decline of 2.8% compared with the same period of 2012.
