DOW JONES SUSTAINABILITY WORLD AND EUROPE INDEXES: ATLANTIA'S PRESENCE RECONFIRMED AGAIN

Rome, 8 September 2016 – Atlantia has again been included in the Dow Jones Sustainability World and Europe indexes, counting the best-performing companies in the field of sustainability. Those indexes represent a key benchmark for investors who assign central importance to sustainability when considering which investments to add to their portfolios.

The Group has been rated as one of the highest ranked organization in the transport and infrastructure sector, with highest score for climate strategy and particularly positive marks for non-financial reporting, customer relationship, risk management, human capital development and stakeholder engagement.

“We are very pleased to see Atlantia’s presence reconfirmed in the DJSI indexes. – commented the Group’s CEO Giovanni Castellucci – “For the eight year running Atlantia has been awarded for the commitment and determination to consider sustainability as integral part of the Group's activities in the different business sectors, in Italy and abroad”.
