PRELIMINARY TRAFFIC FIGURES FOR FIRST QUARTER OF 2018

Rome, 20 April 2018 – During the Annual General Meeting of Atlantia's shareholders, the CEO, Giovanni Castellucci, commented on the preliminary traffic figures for the infrastructure operated by the Group in Italy and overseas in the first quarter of 2018.

Traffic on the network operated by Autostrade per l'Italia is up 1.0% in the first quarter of 2018, compared with the same period of 2017, marking a slower rate of growth with respect to figures previously released as a result of two weeks of heavy snowfall (February 19 to 25 and February 26 to March 4).

Traffic on the network operated by the Group's overseas operators is up by 3.8% overall in the first quarter of 2018, compared with the same period of 2017.

Finally, the number of passengers using the Group's airports in the first quarter of 2018 is up 1.8% at Aeroporti di Roma and 10.1% at Aéroports de la Côte d'Azur.
