ATLANTIA INCLUDED IN DOW JONES SUSTAINABILITY INDEXES FOR FOURTH YEAR RUNNING

Rome, 13 September 2012 - For the fourth year running, Atlantia has been included in the Dow Jones Sustainability World Index (DJSI World) and the Dow Jones Sustainability Europe Index (DJSI Europe), the indexes that rank the best enterprises in the world based on economic, environmental and social criteria.

“Reconfirmation of Atlantia’s membership of the Dow Jones Sustainability indexes”, commented the Company’s CEO, Giovanni Castellucci, “is significant international recognition for the Group and is proof of the effectiveness of our initiatives in strategic areas such as road and occupational safety, environmental protection, reducing our impact on the areas in which we operate, customer care and service quality, and the fairness and transparency of our stakeholder engagement.”

The Group ranks as one of the best performers in the global transport and infrastructure sector, obtaining the highest possible score for Fuel Efficiency, Operational Eco-efficiency and Human Capital Development.
