TRAFFIC FIGURES FOR FIRST QUARTER OF 2019

Rome, 18 April 2019 – Following the Annual General Meeting of Atlantia’s shareholders, the Company informs about the traffic figures⁽¹⁾ reported by the group’s main companies for the first quarter of 2019.

Traffic on the group’s motorways registered the following growth rates: Italy⁽²⁾ up 2.0%, Spain up 5.1%, France up 1.6%, Chile up 3.0% and Brazil up 2.3%.

The number of passengers using the group’s airports in the same period continued to register strong growth, with Aeroporti di Roma recording growth of 3.5% and Aéroports de la Côte d’Azur growth of 4.0%.

The quarterly performance reflects the calendar effects relating to the position of Easter, which had a negative impact, whilst it benefitted from adverse weather conditions in Europe in early 2018 and the application of some discounts for heavy vehicles in Spain in 2019.
