## **ATLANTIA CLOSES FREE SHARE SCHEME FOR EMPLOYEES OF GROUP'S ITALIAN COMPANIES, HAVING 10,840 NEW SHAREHOLDERS FROM TODAY**

**Rome, 20 November 2020** - The offer period of the free share scheme for employees of the Group's Italian companies has closed. The Scheme proved highly popular with 10,840 employees taking up their allotment of shares.

This outcome means that, from today, people occupying a wide variety of roles within Atlantia's Italian businesses have effectively become shareholders in a global listed company operating in 24 countries around the world.

Under the Scheme, each employee has received 75 shares in Atlantia free of charge which, at current market prices, amounts to an award worth approximately €1,100. The total number of shares allotted is 813,000.

This extraordinary level of participation, without precedent in Italy, is proof of the willingness of thousands of workers to strengthen their ties with the organisation they work for and to play a leading role in the Group's current shake-up.
